

2009 NTLTC Christian College Scholarship Form

Deadline for Application: March 6, 2009

To apply for a NTLTC Scholarship you must be a senior and a registered student in the 2009 NTLTC Convention. How well the student describes leadership contributions will be a very important factor. Participation in an activity is not evidence of leadership. The scholarships are for those who have demonstrated leadership in church, school, and community. You are required to send two references recommending you for a scholarship. The recommendations must be from a church leader and a school leader. They must be submitted **along with** your application. A teacher, coach, principal, or counselor can give a recommendation regarding school. A preacher, elder, youth minister, or Bible class teacher could provide information about your leadership at church.

NTLTC collects the scholarship applications. They are then sent to your school of choice. The school, not NTLTC, determines who receives the award and the amount of the award. We ask each school to provide NTLTC with a certificate when a scholarship is awarded. This certificate is put in the awards packet for each church. Some schools do not provide us with this written documentation. If they do not, the school is asked to contact the student directly. If you have a question about an award, contact the school directly.
