

2009 Richard Parker Scholarship Form

Deadline for Application: March 6, 2009

To apply for a Richard Parker Scholarship you must be a senior and a registered student in the 2009 NTLTC Convention. How well the student describes leadership contributions will be a very important factor. Participation in an activity is not evidence of leadership. The scholarships are for those who have demonstrated leadership in church, school, and community. You are required to send two references recommending you for a scholarship. The recommendations must be from a church leader and a school leader. They must be submitted **along with** your application. A teacher, coach, principal, or counselor can give a recommendation regarding school. A preacher, elder, youth minister, or Bible class teacher could provide information about your leadership at church.

School you wish to attend _____
